AFPA Statute

Item 7 -Member societies (1) Psychiatric Societies in Asia and Pacific whose goals are in consonance with those of the AFPA are eligible for full membership of AFPA (2) To be considered for admission of as a Member Society, a psychiatric society must be legally recognized at national level and submit an application for admission to the President of AFPA. (3) The decision to admit a Psychiatric Society to the AFPA or terminate its membership can be made by the AFPA Board (by a simple majority of the Board Members present and voting) on the recommendation of the President. (4) There will be no membership dues to become a member of AFPA.
